REVIEW OF TRUST LAND PLAN FOR 2021-2022
Robert Fleming shared the Trust Lands plan for the 2021 -2022 school year. He informed the council of the amount that was given for the year and handed out the plan for those in attendance.

DIGITAL CITIZENSHIP POLICY FOR SHS
Shaun Blakey shared the digital citizenship plan for SHS. The plan in place at the high school is the internet agreement plan that the district has all high school students, parents, faculty and staff sign each year. The filter used at the district was shared which is Content Keeper and explained how that works and what happens if anyone accesses or tries to access restricted material sites or material.

REPORT ON SUPERINTENDENT SCC MEETING - KAYLYN REED
Kaylyn reported on the superintendent SCC meeting. At the meeting bonds were discussed and how they work in regards to preparing for the future of the district and the growth it is currently seeing. The three new middle schools are all now open and the direct alignment is now in place for students. Covid procedures were discussed and testing needed if 30 or more students have Covid in the school. Currently no schools are close to that number. Bussing issues were brought

up in the meeting and the safety of the student near the Brookside elementary school bus pick up location. Also shortage for buses is not a bus issue, but an issue of having enough drivers. The pay of substitute teachers was also discussed and the increase that has been put in place to get more subs for the district.

SCHOOL NEWS AND UPDATES FROM MR. FLEMING

Robert Fleming talked about the end of term 1. A new program the district is getting called Panorama that will give information about students and how the high school will be able to use this new tool to find students who may be struggling in various areas of education. Update on new building for SHS and will see some things happening at the end of school year 2022 and the anticipated opening of the new school in 2026.

OTHER ITEMS FROM COUNCIL MEMBERS

Concerns were raised about emails from teachers and parents now being able to tell which student the email is in regards to. Discussed if this is an issue with iCampus or if something can be done on the teacher's end to help resolve this concern. Dates for Parent-Teachers conferences were also discussed.
