

## **Cell Phone Adherence** - participation assignment:

*Student will earn 3 pts per day for NOT using their cell phones!*

Every student starts with the full points. I will deduct points daily as needed.

Term 1 – 69 pts

Term 2 – 66 pts

Term 3 – 72 pts

Term 4 – 60 pts

*5 pts extra credit per term for perfect cell phone policy Adherence.*

**NOTE:** since I cannot always tell exactly what a student is doing on their phone, texting, surfing the web, etc. ANY use of the cell phone will count as breaking the class policy. I will occasionally allow the use of cell phones for class projects (using an online Chinese dictionary, etc.) but they must be used only as directed in those instances. Once the tardy bell rings, all cell phones should be put away. If I see a cell phone out after the tardy bell I will deduct 1 point and remind the student to put it away. If the student has his cell phone on or is using his cell phone, I will deduct all 3 of that day's points. If a student does not keep their cell phone put away at that point, I will confiscate the phone and turn it in to the front office at the end of the day.

## **“Charging Station”**

I will leave a strip plug at the front of the room where students may charge their phones during class. They must have it plugged in before the tardy bell rings and they can't pick it up until the end of class.
