DISCUSSION AND UPDATE ON ACT TEST

Information was shared with the Council about the ACT test on March 6, 2018. Overall the testing went quite well. The students, teachers, and parents were better informed about the test than last year. Some of the positives about the test this year were the use of mice for each chromebook and the fact that the questions were highlighted, especially during the writing portion of the test. The only drawback seemed to be that some of the chromebooks would freeze up, and need to be rebooted. There weren't any reports of students not completing the test because of this problem.

DISCUSSION OF SCHOOL TRUSTLANDS PLAN 2018-2019

The signature sheet for the trustlands plan was signed by the council members

SCHOOL NEWS AND UPDATES FROM THE PRINCIPAL

The 4.0 G.P.A. recognition plaques discussed at the last council meeting have been hung in the front foyer of the school. Rumors that have been circulating about the bond proposal were addressed by the principal. No teacher salary increases are tied into the bond. The entire bond will be used for capital improvements. Dr. Kelepolo shared with the council the plans for the improvements of the downstairs track and facilities at SHS.

OTHER ITEMS FROM COUNCIL MEMBERS

No other items were brought up by the council members.

NEXT COUNCIL MEETING

The next meeting will be on May 9th, 2018 at 3:00 p.m. in the administrative conference room, if necessary.
