Course Description & Overview:

Fitness for life classes are designed to help students gain the knowledge and skills to be healthy for a lifetime. We will be using resistance training, running, relays, sports, and various activities to teach the students different ways to exercise. We will also be having the students do a nutrition packet. Students should be motivated and excited to come to class each day.

Class Absences/Tardies and Make-up Work:

1. Fitness for life is mainly a participation class and no participation points will be rewarded for any unexcused absences.
2. Any day a student does not dress they will not be given participation points (you cannot participate if you are not dressed). Exercise clothing is considered being dressed, no flip flops, jeans, cargo shorts, or button shirts allowed. If you are sick, you can still dress as if you were going to work out.
3. Whether you dress or not, if you don't work out you lose your participation points. Flexibility will be given to those that are sick or injured. (Extended periods call for a doctor's note and parent contact)
4. Up to four absences can be made up. Two tardies is considered one absence. Make up assignments will be given out by Coach Spencer to those who request them.
5. Tardies will be attached to your attendance grade. A student is considered tardy five minutes after the tardy bell has rung and up to 10 minutes after the tardy bell has rung.

Student Behavior and Expectations:

Roll will be taken 5 minutes after the tardy bell has rung and the students should be in their exercise attire. This process was/will be explained on the first day of class. Every student is required to dress out even if they are not participating. There will be locks and lockers given to each student to secure their belongings, please take exercise clothing home and wash. The school is not responsible for stolen or damaged property.

Class Rules:

There are 5 basic rules for my classes (weight room has safety rules as well):

R: Respect others and yourself (ask for permission)

U: Use appropriate language

L: Learn for life and learn to live

E: Exercise is a must (participation)

S: Strive to improve
