FFA & Leadership

- ❁ ALL agriculture classes are part of a complete Agriculture Program. FFA will be taught and participation encouraged according to the state curriculum.
- ❁ The National FFA Organization is the nation's largest youth leadership organization. The main focus of the FFA is to develop leadership traits in youth. The FFA is a vital organization at Springville High School. Students enrolled in agricultural classes are encouraged to become members of the FFA.
- ❁ Although this is not mandatory for my class ALL students will still be required to participate in leadership building activities at some level on a monthly basis; fifteen percent of their grade will reflect their leadership involvement.
- ❁ FFA membership and participation in the activities will count towards this portion of the grade – students who choose not to be a FFA member are ALWAYS welcome at the FFA monthly activities to gain class points as well as select from a list that will be provided for the students such as attend civic meetings, serve on youth based councils etc. Proof of attendance will be required.
- ❁ How to join FFA: The annual dues are \$20.00 and can be paid to the financial secretary or on myschoolfees.com. An optional additional \$10 (\$30 total) can be paid to receive a FFA chapter t-shirt. **Membership is due by 8/28/2014.**
- ❁ **Don't miss out!!!** By becoming a member of the FFA students will be able to participate in contests, raise a market animal at the school, develop leadership skills, be eligible for many scholarships, and possibly qualify to receive a number of awards.
