First of all, if you love kids, this is the class to be in!
Second, if you haven't had child development, this isn't the class to be in!
Third, if you don't like kids, what are you doing in here??

Welcome to Early Childhood Education (aka PRESCHOOL). This is such a great place to be! This course prepares students for occupations in child related careers and roles. Instruction is given in child growth and development; child care programs, management, and policies; health and safety concerns; developmentally appropriate learning activities; and writing, preparing, and teaching workable lesson plans in the high school's on-site child care training center. Be excited for a great year!

Supplies Required

- ECE 1 & 2: A Binder - you need a separate binder for just this class
- ECE 2: You will need another binder for an assignment you will do throughout the year
- Pen/Pencil

Classroom Expectations

Be on TIME! Our class is like a job. Students must be **on time or early** to be greeting our little 3-5 year old students. Students will rotate in and out of preschool. Students will be preparing lesson plans and teaching. Students will also be helping others teach the lesson plans that they have created. Only 5 students will be in the preschool at a time unless observing.

Come to class prepared. Bring all needed supplies like your binder, any papers needed, lesson plans, pen/pencils, etc... so you are prepared to work.

Dress code is upheld in our class where we are dealing with tiny. This includes no lip or nose piercings, low cut shirts, short skirts/shorts, torn up pants of any kind, or anything that parents of 3-5 year olds might find offensive.

NO ELECTRONICS during preschool time--this includes using cell phones for any reason, music, etc...

No food or drink permitted during preschool time.

Watch your language. Parents are paying for their child to be in a wholesome, clean environment. Be respectful of what you choose to say.

No pictures or videos of any kind should be taken of the preschoolers unless you have permission by the director (aka ME). Under no circumstance should a picture be posted to a social networking site (this includes Instagram or any other source where the picture can be seen by multiple people).

Behavior Expectations & Attendance Policy District and school policies will be strictly adhered to.
