All Nebo School District athletes and parents are invited to attend any one of the above meetings. They will be the same. Alan Albright, our resident NCAA clearinghouse expert, will be there to advise parents and athletes on the classes they will need to take, the grade point average needed, and the score on the ACT test needed. He will answer any question concerning your son/daughter ability to attend and participate in athletics at any NCAA institution. All grade levels are invited.

Please don't wait until your son/daughter is a senior. It may be too late!
