CHARACTER EDUCATION PLAN PRESENTATION BY TARA HALL

Tara Hall presented the Springville High School's Character Education Plan. It is a Nebo District initiative to promote positive character education among students at SHS. Tara presented some of the ways that SHS is promoting character education. These are: Keys to Success; Hello Assembly; Red Devil Grams; Red Ribbon Week; Hope Squad; and LIA. A motion was put forth by the council to support this plan.

REPORT ON DISTRICT TRAINING SESSIONS

Aaron Popham reported on the district meeting from October 5th. This meeting was a presentation on the upcoming bond. The presentation was a direct tie-in to the survey the district put out in the spring of 2017. It will be a tax-neutral bond. In other words, the tax rate will not increase if the bond passes. If the valuation of your home increases, the amount of taxes you pay will be increased. Questions were asked about the staffing in the new schools that will be built and the programs that will be available in the middle schools. Dr. Kelepolo will find out this information and report back to the council.

REPORT ON STATE GRADING FROM DR. KELEPOLO

Dr. Kelepolo reported on our state grade. We were 2% away from a B, but due to the number of students who did not take the SAGE test, our grade was dropped to a D

OTHER ITEMS FROM COUNCIL MEMBERS

50th year celebration, Sterling Scholars, and the Band's success were discussed at this time.

NEXT COUNCIL MEETING

The next meeting will be on November 15, 2017 at 3:00 p.m. in the administrative conference room.
