

# Nebo School District Chromebook Protection Plan & Loan Agreement

Dear Parent/Guardian,

Nebo School District is providing and administering a protection plan for students and parents as part of our 1:1 chromebook pilot program. Enrollment in the District administered program is optional with the understanding that parents/students carry the full liability if no protection plan is selected. Additionally, parents may also opt to use a third party protection.

The District plan covers “accidental damage” to the device and is designed to limit a family’s financial responsibilities for any damages as described in the protection plan section below.

## Program Fee/Coverage

- ❖ Non-refundable fee: \$30 for the current school year
- ❖ Limit Liability: \$300
- ❖ Coverage: Repair/Replacement of school issued Chromebook and charger (one time replacement)

## Effective Coverage/Expiration Dates

- ❖ **Effective Date:** Based on the receipt of payment.
- ❖ **Expiration Date:** Last day of applicable school year. (May be extended with a Summer Rental Agreement)

## Coverage

- ❖ **Accidental Damage:** Pays for accidental damage caused by liquid spills, drops, or any other unintentional event.

- ❖ **Electrical Surge:** Pays for damage to the device due to an electrical surge.
- ❖ **Natural Disasters:** Pays for loss or damage caused by natural disasters.

## Exclusions

- ❖ **Dishonest, Fraudulent, Intentional, Negligent (not locked/stored in an unsecured manner, or location) or Criminal Acts:** Will not pay if damage or loss occurs in conjunction with a dishonest, fraudulent, intentional, negligent or criminal act. The student/parents will be responsible for the full amount of the repair/replacement.
- ❖ **Consumables:** USB charging cable(s), AC adapter, and software.
- ❖ **Cosmetic damage** that does not affect the functionality of the device. This includes but is not limited to scratches, dents, and broken plastic ports or port covers.
