Field Trip / Activity Consent Form

The safety and well being of students is our greatest concern at Nebo School District, and every reasonable effort is made to ensure that these tours are conducted in a safe manner. However, as with all field trips and activities, there are certain unavoidable, unpredictable, and inherent risks and dangers that no amount of care, caution, or instruction can eliminate.

My child and I understand and agree to the following five provisions contained in this "Field Trip / Activity Consent Form," and give consent and permission for my student to participate in the college tour of their choice.

Student Name (Please Print)

Parent/Guardian Name (Please Print)

Signature of Student

Signature of Parent/Legal Guardian

Date of Signature of Student

Date of Signature of Parent/Legal Guardian

The above signed parent/legal guardian and student participating in this tour understands, acknowledges, and agrees:

1. That participation on these tours will expose my student to certain unavoidable, unpredictable, and inherent risks and dangers.

(Continuation of provisions)

2. That my student is expected, and has been instructed:

- A. To follow all instructions given by Nebo supervisors and university guides.
- B. Not to leave or separate from the group without appropriate authorization from a Nebo supervisor.
- C. To follow all Nebo School District policies and to comply with all laws, ordinances, and university rules.
- D. To follow all school rules as they are considered applicable during the college tour.
- E. To conform with usual and customary standards of good citizenship, good decorum, and common courtesy.

3. That Nebo School District does not carry any medical insurance coverage relative to this activity or for injuries to my student.

4. That if my student is disabled or requires special accommodations, those accommodations and instructions are attached to this form.

5. If any emergency medical procedures or treatment are required for my student during this activity, I understand that the district will make reasonable efforts to contact me. In the meantime, I consent to the district supervisor(s) taking, arranging for, and consenting to the procedures or treatment for my student in the supervisor's discretion. I will pay all costs of any such medical procedures or treatment.
