 Shoulder Pads - \$750

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

A local clothing retailer has produced Springville Socks that the team will sell. The socks will be sold at the remaining home ^{baseball} football games. The money will be collected by the coaching staff at the football game and placed in the school provided cash box. A tally will be kept of each pair of socks sold and the amount of money collected. The players from this past year will be asked to assist with the selling of the socks as a team fundraiser.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

The fundraiser will be held onsite of the home ^{baseball} football games. We will be in the same area as other fundraising efforts. Two coaches will be present with the players, the socks, and the cashbox throughout the games.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge. I have read and understand the fundraising guidelines set forth in Nebo School District Policy #KAC, School Fundraising Activities.
